

WASWUG 2012 – Access Attendee Lists

Make sure you are logged in. If you need guidance on how to log in, please open the “How to Log In” document.

You can browse attendees by clicking any of the white tags on the right hand side. You can search by title, organization, type of attendee, etc. For example: to search for attendees with a similar job title to yourself, click “by title”.

Now you can see all attendees in alphabetical order by job title. Click on an attendee profile to send a private message, click on friend, or “want to meet.”
